

SUNDAY 16

Dear Vikki

Hi Sweetheart I am sorry that the visit was not so long today and I hope that you could try to understand my moods I don't mean to say things to hurt you it is just that I am very bitter at times. Like you said I have always been in jail and what is three years more or seven years more it is a lot to the person ~~on~~ inside who has to do it also you have to understand that I am human to and I hurt like other people make more because I have someone out there that I really care about alot and the time is long and it does not seem like it will ever get here. I remember last time I got out on may 3 what a day that was you were waiting there I had my bag and your friend ~~drove~~ drove us home that was like being born again oh ya remember I left my bag in her car and when she brought it back we were not decent anyways. so there are better days ahead remember what you once said about being stubborn it is true you are and I am not that we want to be with each other but it ~~seems~~ seems that we don't want to be the first to give in so Vikki take care because I care ok I really do ok I know I don't have to say I am sorry pet I am ok

Love always  
Your Husband To Be
