

put your life together you seem to be doing
that but I hope you meet a guy better than
me a guy who is good for you and that you
love him like you once loved me or better
if you love him more I just hope you are
really happy together and have lots of good
times you ~~do~~ deserve the very best as you
are the best you don't deserve one night
stands or fuck ups you had enough of that
I want the best for you. I care that much
for you to say that. I thought about doing
myself in but I won't if it happens I hope
you say well brothers problems are over. I hope
you send me lots of nice photos of yourself in
your jean shorts and swim suit so that I can
look at them and say to myself she does not
hate me and if I could of changed my ways
that is the girl I would of made my wife.
As no man could of asked for more from a girl
I only hope that you say to yourself I do
care for brother but I must make my life
as brother could never be more to me than a
friend but I want him as a friend.

do you? could you? I AM happy that
your two jobs ARE going good. I wish you the
very best P.S. NO ONE will ever replace you
NEVER I CAN NEVER love like that AGAIN ALSO
I CAN NEVER TRUST like that AGAIN. I will
love again as a person needs love but I
will never get that close again to another person
I will just give what love I can. I love women
do you know any why don't you find me a woman
with a heart of gold? OR make it would hurt you
to do that but if I knew a guy who I thought
would be MR. RIGHT for you I would send him
to meet you but all the people I know are
in jail and I would not do that to you as
I know its a bad trip. I love you and
care for you and I wish you the best
in your work and I hope you meet a good
guy who will do good by you.

Take care love you always
and will care for
you always

Your Best Friend in your life

I hope I love you friend

I will never fuck your head up
again love always Brother XOXOXO
