Dear Vikki

Hi Honey I hope things are going better there for you now that you had a pass. I am writing you to let you know that I still am thinking about you all the time so don't ever think you are forgotten or love. I love you with all my heart I just hope you understand this I want you to answer this with all the truth at first of all do you really want to spend the rest of your life with me I want to stay with you till my dying day I can't think of anyone else I would rather grow old with at my side answer me on how you feel. also I will refuse to ever let you go I love you to much to lose you now as far as family is concerned you are my only family right now and in the near future I intend to enlarge my family by having a son with you I don't have to tell you again how happy I was that you refused to fuck around even with my ok. I should have told

you that I never want you to even think about it. because that is how I really felt about it. I guess I just can't seem to believe that someone especially someone like you with a beauty like yours would ever care so much for me and it is such a ~~beautiful~~ beautiful thing that I just happy no one has ever made me so happy in all my life like you have noone has ever stuck by me the way you have not even my family I guess that is why I thought I would lose you in ~~the~~ the start of all this I am sorry for ever doubting your love I always knew you cared for me I guess I just thought that you would only ~~take~~ take so much then quit but you are still home in there and the worst is over now and I am happy that you are still with me now after all I put you through what more can I say except that I love you and that you are number one with me I love you I want to marry you soon ok love tell every one I said so also ok I don't mind now that I know you really love me what other girl would come to a place like this to see someone on a pass from a jail all I can say is I would do the same Bye for now ok love + + +

Love you always + + +
