Well love I hope things are going good over there for you now that you talked to me on the phone after I talked to you I called ~~Sam~~ Laurmas and I talked to Jimmy and he told me the place where Beaver is and about the shape Debbie is in and that the other person was not hurt at all I will see what I can do about seeing him I think the chance is slim seeing he is not used or dying that seems to be the only time they let anyone out around here on a code I also got in touch with the John Howard and everything should be here by the 15 of March so I don't know what else to say I also saw the guy from the parole board and he told me I don't have a chance at parole so what can I say I will tell you all about it at the next visit ok love so I guess I will see you in December ok I don't know how you really feel but when I got your letter today I feel that you are starting to drift away so remember this that if you get out I will still be in for ~~you~~ about six more months it might be different once you hit the street

I hope you stand ~~by~~ by me the way I stood by you when I was on the street let me know how you feel on this ok I trust you with my life and you can trust me with yours ok love I will talk all this over with you at the next visits ok love
