Dear Vikki,
I'm sorry! I hope you accept my apology we are so close friends to break up over something so dumb. I am really sorry about the money but what can I say I let you down there. But I swear to god I'm going to wait for Dodgie and I bet I'll go out with him. I still want to live with you and everything. You know you are the only person that I want as a friend. I really like you

please accept my
apology with no
grudges.

You should be driving
back to Tangway right
now I feel sorry for
you. You have depressed
me very much because
I told Norma at seven
o'clock to tell you

that if you ever wanted
to be my friend that
I wanted you to come
out and see me. When
you didn't I cried
you prick! and my
feelings can be hurt
very very easy. Well
it is all over now.

But I want you to

still be my Partner.
OK! Please write Back

Lots of love your friend
and Partner Debbie.
