

THIS IS VERY MOMENT I WISH TO INFORM YOU  
THAT YOU HAVE MADE THE BIGGEST FOOL OUT  
OF YOURSELF THAN ANYBODY I KNOW.

NO, I AM NOT FUCKING AROUND WITH BO.

THE LAST time I SAW him was  
in Verdun him & Gail came to my house  
to give me a wedding picture for you which  
you never said thank you for. The last  
time I SPOKE to Bo was before you  
past court asking him to call the lawyer.  
I phoned his house & Gail answered & I  
asked to speak to him.

I phoned Bo & Gail now & they are  
VERY VERY VERY MAD & I wish to know  
who wrote you that letter. I will  
not write again to you till I know.

Thank you for the trust you  
have in me. I realize you spend  
23 1/2 hours in your cell, I feel

VERY badly for you & wish I could help  
but I can't so stop making up stories  
& taking things wrong. You're a fucking  
idiot. Now stop crying & act like  
a man, if you can't accept the  
fact that I love you & have been  
with you through thick & thin & will  
still be here when you get out,  
then you are not the man I saw.

STOP THINK LISTEN LOOK AROUND

stop wallowing away & thinking dumb  
things. Write me the girls names  
I will write again. Sorry you  
have to believe other people first,  
but it's normal for you.

P.S. I don't LOVE (that will fade if you  
feel if necessary to give you a detailed report since June. Keep up your childishness)

VIKKI  
IF you don't send the girls  
name I will take it you believed her & we're over.
