Dear Vikki, Sorry I can't come and visit you for quite a while but Me and Beaver and Val had a car accident. Val got a few pices of glass in his face. Beaver Broke his leg in two places has eight stitches be hind his ear and a black eye. I have 29 stitches around the top of my head I was scalped, you know like the indians do. Half my hair is shaved off. My left lip was dislocated. Something cut ~~near~~ my ass and went wright up me which cut me about six inches down there and now I am full's of stiches down there My left leg and my left ande is Broken in a cast and up on strings for 4 more weekes = 1 month. My phone number is 761-3551. Maybe you can get a pass to come see me. I hope so. Well there isn't much to say so take Care of your self and be good.

Lots of love and
Kisses
Debbie
