

Hi honey,

Well here I am again (obviously! HAHA.)
Today went really fast at work I was glad,
in & out that's what I like & tomorrows
pay day, then the weekends.

Boy I was so disappointed today, I woke up
& on the news it said all visits were
reinstated for everyone at Laval & I was so
fucking happy, till I phoned & they said 'they
have no visiting rooms'. Is that true brother?
They said I'd never be able to see you
there & when you are transferred back then
I can see you. Tell me its not true
'cos you said in your letter you think
you'll be doing the rest of your time
there so how can I see you?

Did the lawyer come up? Don't forget to
answer honey.

Well not much else is happening, nobody's
been bothering me lately, Debbie just called,
she's coming by in a little while.

So love I'm gonna let you go 'cos I have
no more news. I really miss you so much it
hurts a lot. Write me soon all my love
